Hi Alex,

I briefly looked that the updated section, which looked good. I'm a bit worried about version control. The V.1 is dated 11/1/19, V1.1, which I sent you as a draft, was dated 11/18. The version you just sent is dated 10/25. Can you confirm that you made the changes on either the V.1 or V1.1 versions? If yes, we should be good with a new date. If no, you may need to re-do your changes onto the 1.1 version. Thanks.

Mike

Mike/Tim,

Attached is the latest version of the fact sheet for distribution by Andy G. to the workgroup. Before passing it on to Andy please look at it again to make sure I represented the changes you requested correctly. Also, note that my document numbering (e.g. v4) is based on my tracking (not v1.1). If you'd like to modify the numbering please feel free to do so for posting on your SharePoint site. The new schedule being proposed is as follows:

Ex. 5 Deliberative Process (DP)

I've attempted to keep the remaining dates in line with original expectation to deliver the tool in FY19. Next, if you concur with the fact sheet and the timeline, please pass to Andy and please provide him with the email distribution list. I am out of the office tomorrow but back on Monday – Wednesday. Please let me know if you have any questions.

Thanks,

Alex
